CAMPAIGN TO STOP CHRISTOPHOBIA

Thank you to everyone who has contacted me about stopping Christophobia.

The persecution of Christians for simply practicing their faith is a growing problem in many parts of the world, as evidenced by the recent Easter Sunday attack in Sri Lanka. Freedom of expression and belief are fundamental tenets of our society, and we have a responsibility to ensure that they are respected throughout the world.

Foreign Secretary Jeremy Hunt recently launched a review into the persecution of Christians. This review will help us to understand what more we can do to support Christians and protect them from persecution. As a member of the All-Party Group for Freedom of Religion and Belief, I will continue to work alongside fellow MPs to ensure that the rights of all people of all faiths are respected.

Thanks again to everyone who has taken the time to write to me on this issue.

Best wishes,
